LB 642, 668, 882-885, 979-981
LR 242

true that the amendment hadn't been adopted, but apparently there is an amendment cooking here, so any of these other bills even though they have not had an attempted amendment, could have been referred to the Reference Committee had anyone of the members of the Legislature requested it. I think that rule is 6 (b) or something like that.

SENATOR PIRSCH: I am getting it explained to me. Thank you, Mr. Speaker.

SPEAKER NICHOL: Mr. Clerk, do you have something to read in?

CLERK: Mr. President, a few items. New bills. (Read titles to LB 979-981 for the first time as found on page 386 of the Legislative Journal.)

Mr. President, Senators DeCamp and Howard Peterson would like to print amendments to LB 668. (See pages 386-87 of the Journal.)

Mr. President, new resolution, LR 242 offered by Senator Beutler calls for a constitutional amendment to Article IV, Section 2 of the Constitution of the State of Nebraska. That will be referred to the Reference Committee.

Mr. President, a motion before the Legislature is one offered by Senator DeCamp. It is found on page 353. It would read as follows: Senator DeCamp would move to rerefer LB 882-885 to General File pursuant to Rule 6, Section 2.

SENATOR DECAMP: Mr. President and members.

SPEAKER NICHOL: Excuse me, Senator Warner, your light was on, did you wish to speak before we take up these matters? Okay, Senator DeCamp.

SENATOR DECAMP: Mr. President and members, these four bills are the Governor's mainline budget, the \$803 million budget. I think when everybody gets up on this floor to speak on an issue as to why this bill was passed or this should be changed, they do it in terms of comparison. That is one of the most traditionally used tools we have. Paul is only tall relative to something else. Fat is only fat relative
